Regulatory Entities

State of South Dakota – Department of Revenue, Department of Health, Cosmetology Commission, and Board of Massage Therapy. Their regulations govern ALL VENDORS, regardless of where their vending location is.

City of Sturgis – City vending, and Rally ordinances govern all vendors with vending locations INSIDE CITY LIMITS.

Meade County – Meade County ordinance governs all vendors with vending locations OUTSIDE CITY LIMITS.

Pennington County, City of Hill City, City of Hot Springs, etc. will even have different vending regulations and are not included in this manual.

Choosing a Vending Property

- The first step to becoming a vendor at the City of Sturgis Motorcycle Rally is obtaining a **permanent or fixed vending location**. If you move permanent vending locations, you must inform the Department of Revenue, the City and/or County.
- The city highly recommends that you visit your target vending location during a Rally to assess whether the location, footprint, foot traffic, etc. will meet your needs.
- To lease a permanent vending location, you must contact landowners directly and rent from them. **The landowner sets lease rates.**
- You can find contact information for many landowners on the City's official Rally website: <https://www.sturgismotorcyclerrally.com/vendor-property/>
- Vendors must have a fixed or "permanent" vending location. Consider this your "home base." No mobile sales are allowed.
- Vending is only permitted in certain zoning designations. In the City of Sturgis, you cannot use a private residence as a permanent vending location. Your vehicle cannot be a permanent vending location.
- To walk around and distribute informational materials or free samples, you must first have a permanent vending location and a vending license. Once you have those, you can purchase an additional Mobile Merchandising license. **NO MOBILE SALES ALLOWED.**
- You cannot vend in the City right-of-way or on City property, violation of this section can result in citations being issued or arrest.

South Dakota Department of Revenue – Temporary Sales Tax License

Step 1: Apply for a Temporary South Dakota Sales Tax License from the Department of Revenue.

- All Vendors must have a Temporary South Dakota Sales Tax License for selling or displaying a product or for providing services at the City of Sturgis Motorcycle Rally. **You must complete a new application each year.**
 - Everyone must have a Temporary Sales Tax License, including non-profit entities, wholesalers, and those who are “display only.”
- If you have a permanent South Dakota Sales Tax license, but are operating in a temporary location, you still need to apply for the Temporary South Dakota Sales Tax license.

Step 2: Determine if You Need to Post a Bond

- If you are a first-time vendor, you must post a \$500 bond to the South Dakota Department of Revenue.
- If you attended last year’s Rally, filed, and paid your taxes on time, you do not need to post a bond.
- If you filed or paid your taxes after the due date in the prior year, you will need to post a bond. Please contact the Department of Revenue at 605-394-2332 to determine the bond amount.
- If you were a vendor in the past but did not attend in the prior year, you will need to post a \$500 bond.
- The Department of Revenue reserves the right to assess a bond to other returning vendors on a case-by-case basis.
- The SD Department of Revenue accepts cash, cashier’s check, money order or credit card (2.45% processing fee).
- Bond is held as a deposit and will be mailed back to you when the rally has ended, **and** your final sales tax return has been filed and proper sales tax has been paid.

Step 3: Send Application and Bond (if needed) to SD Department of Revenue

- **Pre-registration is available from April 1—July 20, 2024.** If you apply between those dates, your packet will be mailed to you. Bond (if needed, see step 2) must be received prior to the license card and packet being mailed.

You apply for the [Temporary Sales Tax License online](#) on the South Dakota Department of Revenue website.

South Dakota Department of Revenue – Motor Vehicles
